Education Outside of the Classroom Permission Form

Dear Parents/Caregivers

Our students participate in a wide range of learning opportunities within and beyond the school grounds. The school, in particular the Principal and the Board of Trustees, identifies and manages risks for all activities. We recognise four levels of activities, each with specific requirements regarding parent/caregiver consent. All events will be notified in the newsletters.

The following form will be held with your child’s records, until the beginning of the next year when a new one will be sent home. Due to the important nature of this permission form, we are requesting that it is signed by both parents/ caregivers.

Level	Activity
1.	At school, or within the school grounds and adjacent domain, for example, sports events, fun days, nature studies. No Permission Required
2.	Off-site events occurring entirely in school time and finishing no later than 3 pm, for example, zone sports, team sport events, class trips to the museum. Parents are advised of the finishing time if it is later than 3 pm. Blanket permission provided annually. Parents are informed that the event is to occur through newsletters.
3.	Off-site or on-site events occurring in one day involving risk assessed to be greater than that associated with the average family activity, for example; water activities, rock climbing. Parent/caregiver informed consent is required for each specific event.
4.	Events occurring overnight, for example, school camp. Parent/caregiver informed consent is required for each specific event.

Many thanks

Jenny Craig
Principal
